All memberships are monthly auto-payments with a one-time \$59 enrollment fee. Barre members may use session to take TRX or Mat Pilates class. Barre members may use session combined with a \$10 upcharge to take a Reformer Pilates class. Monthly memberships have a 3 month initial commitment period and then automatically extend month to month, and may not be suspended or cancelled during this initial commitment period. Annual memberships have a 12 month commitment period, and then automatically extend for another 12 month commitment period at the end of each term. Annual memberships may only be suspended for 1 month of each 12 month commitment period. Suspensions require a 7 day written notice prior to the next monthly billing period and a \$15 monthly suspension fee applies. Cancellations require a 30 day written notice. Monthly membership cancellation notice is prior to the following month's billing date, whereas Annual membership cancellation notice is prior to the end of the 12 month billing period. Some restrictions apply on merchandise discounts.
